GENERAL INFO

FAST FACTS

- All practices, morning skates and games are open to the media.
- Media requests should always go through the Kraken PR staff. Please do not reach out to players or management directly.
- Players that are injured/not skating are not obligated to meet with the media.

USEFUL LINKS

Seattle Kraken Press Room – All Kraken-specific materials live on the Kraken press site. Assets include daily clips, game notes, photos that are approved for media use and more. The application for game credentials also lives on this site's home page.

Seattle Kraken Media Dropbox – All media availabilities, whether from practice, morning skate or postgame, are uploaded here.

Kraken PR Twitter – In-game updates, stats, transactions and more can be found via the Kraken PR Twitter page (@SeattleKrakenPR). This is the best spot for the most up-to-date roster information as well as significant stats that may occur mid game.

Kraken PR Slack - The Seattle Kraken PR staff will be utilizing a Slack channel with the media in lieu of text or email chains. On the media Slack, the PR staff will communicate schedule changes, roster transactions and more. The Slack channel is also how the media can submit interview requests, specifically for post-practice and game scrums. Please reach out to a member of the Kraken PR staff to be added to the media Slack if you are not already.

media.nhl.com – The NHL media's site is the home for all things media. You can find game notes, rosters, game summaries and event summaries for each game by clicking the 'games' tab on the top bar. Daily stats packs, the NHL pronunciation guide and team media guides are all also accessible via the 'downloads' tab. Each team also has their own page on the media site, which includes headshots, pronunciations and contact info for their PR staffs. If you need a media site log in and do not already have one, please reach out to Kraken PR.

nhl.com/stats – This is where you can find all NHL stats, both current and historic. The site includes stats for skaters, goalies and teams and all stats can be filtered by team, year and more. To find Kraken stats, click on the 'Skaters' tab and selected the Kraken from the 'Team' drop down menu. If there is a stat you are interested in looking up, but are unsure how, please contact De'Aira Anderson.

HOME PRACTICES

If in Seattle, the Kraken will typically practice at 10:30 a.m. local time, unless it is a day after a game, in which they will practice at 11 a.m. All home practices will take place at Kraken Community Iceplex unless specified otherwise. The length of practice varies depending on the day and can last anywhere from 30 minutes to an hour.

Sharing line combinations, injury updates, photos and videos from practice is all permissible.

Head Coach Lane Lambert and Kraken players will be made available to the media after practice in the team's locker room. Media members are encouraged to go to the locker room as soon as the first player leaves the ice. Any requests for one-on-one interviews should be made as far advance as possible to ensure a greater chance they can be fulfilled.

The Kraken PR staff will take requests for players, but the media is not limited to speaking with just those players while in the locker room. Every player in the locker room is available to be interviewed unless otherwise specified by the Kraken PR staff.

MORNING SKATE - HOME GAMES

The Kraken will hold a morning skate prior to each home game at 10:15 a.m. at Climate Pledge Arena. If the game is on the second day of a back-to-back, the Kraken may not hold a morning skate and will instead hold media availability in the early evening prior to that night's game at Climate Pledge Arena.

The media is encouraged to arrive at CPA by 9:45 a.m. local time in the event that morning skate is optional. A member of the Kraken PR staff will communicate if a skate is optional to the media as soon as it has been decided on. Head Coach Lane Lambert and players will be made available to the media at the conclusion of morning skate or after their team meeting if morning skate is optional. Morning skate media availabilities will be held in the locker room at Kraken Community Iceplex.

Media requests – whether for a scrum or a one-on-one – should be made to Kraken no later than 10 a.m. local time to ensure that all requests can be fulfilled. Please note that media requests on a game day should be limited to questions/content for that night's game only. Any requests for non-game day content should be made on practice days.

POSTGAME - HOME GAMES

A member of the Kraken PR staff will reach out to the media during the third period to take scrum requests. Requests can be adjusted up until the end of the game but may be more difficult the later the request is made. Postgame media availability for players and Coach Lambert will be held in the main locker room at CPA. Similarly, to morning skates, questions the games. One-on-ones will not be permitted during postgame media.

VISITING TEAM MEDIA

Visiting teams will hold morning skates at CPA at 11:30 a.m. Morning skates may be optional or cancelled, especially if the team is playing the second game of a back-to-back. Please note that with the Kraken skating at a different venue, there is a high chance some visiting teams may elect to skate early, and any schedule questions should go to the visiting team's PR department to ensure accuracy. Visiting teams can change their schedule at a moment's notice, so it is best to reach out directly to that team.

Media requests for the visiting team should be made directly to that team's PR department. Please reach out to Kraken PR or visit the NHL's media site if you need their contact info.

CREDENTIALS

Media members who do not have a season credential can request a single-game credential by visiting the Kraken press site. Credentials will be approved based on need and availability in the press box. Media members will be notified if their credential request has been approved 48 hours before the game.

If approved, credentials can be picked up the day of the game at the Climate Pledge Arena media entrance. The media entrance is located at the southwest corner of CPA, just north of Alaska Airlines Atrium, and is open from 8 a.m. until 8:30 p.m. Please note that these times may change in the event that the game does not have a 7 p.m. start time. Media will not be permitted to enter the building after 8:30 p.m. unless specifically approved by a member of the Kraken PR staff.

Please reach out to a member of the Kraken PR staff if you need a single-day credential for a practice or other Kraken event.

If you have a season credential, we ask that you RSVP to each game so we can plan for your attendance. RSVP forms will be sent out by a Kraken PR staff member.

KRAKEN ROAD GAMES

One member of the Kraken PR staff will travel with the team when they are on the road. All media requests that pertain to the road trip can be made through them.

Times and locations for Kraken road practices may vary depending on the day and arena availability. Media for practices, morning skates and postgame will be held in the visiting locker room of the home building. The traveling PR rep. will coordinate with traveling media for all requests.

If you plan to cover a Kraken road game, please notify Kyle Shohara and he will include you with our team credential requests.

GAME NOTES

The team's game notes will be sent out the evening prior to every game, unless the team is playing a back-to-back, in which case they will be sent out after the conclusion of the first game. The email will include the schedule for morning skate, media procedures and which PR rep is traveling (if applicable). If you would like to be added to our game notes distribution list, please reach out to De'Aira Anderson.

Game notes will include both teams' rosters, stats, game-by-game, notes and more. Media notes are provided by each team' PR departments while the rest is auto populated. Game notes are the best place to find all relevant stats for the upcoming game. Please note that when game notes are sent out, they will not include games played that evening, so some stats and rankings may change. Game notes can be downloaded at any point from the NHL media site.

ONE ROOF FOUNDATION

ONEROOFFOUNDATION.ORG | @ONEROOFFDN

One Roof Foundation is the philanthropic arm of the Seattle Kraken and Climate Pledge Arena. We invite our fans and our community to join forces with One Roof to ensure that all young people in our region have a roof over their heads, access to play, and clean air to breathe

VISION

We envision a more equitable society and a healthy planet where all people can realize a brighter future.

MISSION

We advance equity and sustainability by increasing opportunities to thrive for our most vulnerable young people and communities.

WE BELIEVE

- The well-being of one individual is connected to the well-being of every other individual; that homelessness, racism, and inequity of opportunity, don't affect only certain communities, but all of us.
- The health of humanity is inextricably tied to the health of our planet.
- We are all in this together, under One Roof.

OUR PILLARS

ACCESS TO PLAY

Children in under-resourced neighborhoods have fewer opportunities to play sports and benefit from teamwork, collaboration, resilience, and improved mental health.

Sports and play help kids stay physical and mentally healthy, develop social and emotional skills, and succeed in school, work, and life. But while all kids want to play, the opportunity to participate is largely dictated by zip code, household income, and primary language spoken at home. One Roof Foundation and the Seattle Kraken leverage our resources to break down barriers to all forms of sport so that all kids can play. We aim to ensure all children can participate in sports by funding multisport courts, donating equipment, and providing financial assistance for on-ice programming. With your support, we can continue to level the playing field to create access and opportunity in sport and life for marginalized and BIPOC youth and communities.

ENDING YOUTH HOMELESSNESS

2,000 Seattle Public School Students are currently experiencing homelessness.

No one grows up wanting to be homeless. In Washington alone over 40,000 public school students were homeless or facing housing insecurity last year. Founded in 1974, YouthCare was one of the first shelters to serve runaway and homeless youth on the West Coast. YouthCare now provides shelter, housing, education, and employment training to over 1,500 deserving young people a year so that they have the hope, skills, and self-confidence needed to thrive. One Roof Foundation, Seattle Kraken, and Climate Pledge Arena raise funds for YouthCare, amplify YouthCare's message to our fans and the broader community, and provide job training, internships, and employment opportunities at our different facilities, to help move the needle in the fight against youth homelessness.

ENVIRONMENTAL JUSTICE

Youth in Seattle's Duwamish Valley are 3x more likely to be hospitalized with asthma than in other Seattle neighborhoods.

Low income and predominantly BIPOC neighborhoods in our region face a higher degree of environmental risk factors such as proximity to polluted waterways, busy highways, and industrial sites. The negative impacts are compounded by the lack of adequate access to safe fields, courts, and open spaces. One Roof Foundation partners with, supports, and elevates the voices of communities disproportionately impacted by climate change by providing learning opportunities for youth, investing in capital projects, supporting families displaced by flooding, funding events and capacity building programs, and conducting neighborhood cleanups.

BROADCAST INFORMATION

KRAKEN HOCKEY NETWORK

The Kraken Hockey Network (KHN) enters its second year of broadcasting every regional game for the Seattle Kraken. KHN produces and distributes games over the air on KING 5, KONG and select TEGNA, Gray, Cox and Morgan Murphy TV stations, and via streaming on Prime Video. Games are available to fans in Washington, Oregon, Alaska, Montana and Idaho.

KHN is owned and operated by the Seattle Kraken organization which allows fans to get closer to the action than ever before thanks to 13 operated cameras, five super slomo replay angles, an advanced stats graphic system, and custom graphics packages. There is more behind-the-scenes access, a new studio, pregame shows, intermission features and postgame analysis that dive deeper into the storylines about the players, coaches and Kraken personalities as they embark on their pursuit for victories throughout the NHL season.

Kraken fans enjoy some of the best and most recognizable talent in the NHL on KHN broadcasts. Games feature play-by-play from John Forslund and analysis from Eddie Olczyk and JT Brown. Piper Shaw is KHN's rink side reporter. Pregame, intermissions and postgame shows include host Ian Furness and analysis from Alison Lukan and Brett Festerling.

HOW FANS CAN WATCH KRAKEN GAMES

KHN will produce and broadcast more than 70 non-nationally exclusive Kraken preseason and regular season games plus the first round of the playoffs, including pre- and postgame shows.

Prime Video will stream all non-nationally televised games for Prime members in Washington, Oregon, Alaska, Montana and Idaho, which will include preseason, regular season and the first round of playoffs. The Kraken are the first NHL team to partner directly with the streamer.

In addition, the games will be carried over-the-air in the Seattle region on TEGNA's KONG, with at least 15 games simulcast on TEGNA's NBC affiliate, KING 5. Fans outside of Seattle will see the games on TEGNA stations KREM-KSKN, the CBS affiliate in Spokane, Wash.; KAPP-KVEW, the ABC affiliate in Yakima and Tri-Cities, Wash.; KGW, the NBC affiliate in Portland, Ore.; KEVU & KLSR, the MyNet affiliates in Eugene, Ore.; and Gray Media's KAUU in Anchorage, Ala. & KYEX in Juneau, Ala.

KING 5 also airs a weekly 30-minute Kraken magazine show called Kraken Home Ice, featuring host Paul Silvi. The show features deep storylines and exclusive interviews with Kraken players, management and coaches.

ABOUT BUOY

- Buoy is a sea troll from Seattle, who lives in the caverns of Climate Pledge Arena.
- Buoy loves hockey and people, not necessarily in that order.
- Buoy eats lots of different foods but shark with a sprig of maple leaf is the ultimate meal.
- Other than cheering on the Kraken, Buoy's next favorite thing is music. *It's said that Buoy once jammed with Mudhoney at the Crocodile!!*
- People are drawn to Buoy's fun-loving spirit, funky dance moves, skating talents and endless energy.
- Sometimes you can find Buoy trekking along the Burke Gillman trail and making a quick detour to visit the Fremont Troll, Buoy's uncle.
- We believe Buoy previously met the deep-sea creature from which our name originates. There is a touch of Kraken magic in Buoy's hockey flow.
